**PRESS RELEASE**

**Chairman J. Garret Renville deeply Honored and Thankful for the Opportunity to Serve as Chairman of the Coalition of Large Tribes (COLT)**

Agency Village, SD – I am honored and grateful for the opportunity to serve as Chairman of the Coalition of Large Tribes (COLT). This responsibility is one I take to heart, and I am energized to work alongside all of our coalition members to advance the priorities of our communities.

I look forward to leveraging my friendships and the support of key leaders such as North Dakota Governor Doug Burgum the incoming Department of the Interior Secretary nominee. Senate Majority Leader John Thune, we are in a unique position to strengthen our collective voice and push for meaningful policy changes. By continuing to foster these relationships, I am committed to ensuring that our tribes receive the resources, respect, and opportunities they deserve.

Together, we will continue to advocate for the protection of tribal sovereignty, support economic development, and improve healthcare, education, and infrastructure for our people. I look forward to working with all of you as we build a brighter future for the Coalition of Large Tribes. Thank you for your trust and support.
